"Faith comes by hearing, and hearing by the Word of God." ~ Romans 10:17

Vol. 34, No. 2

FROM THE PRESIDENT'S DESK

In this ICLD Newsletter I would like to feature our all-volunteer staff: primarily seniors, some who go back a couple of decades or more in the Bible and Christian literature ministry which began over 46 years ago. We collect our materials from individuals and churches in Minnesota and Iowa for the most part. We especially prefer Bibles, reference works, evangelism and discipleship materials, as well as devotional pamphlets and tracts and good-quality Sunday School materials with a clear Gospel message.

Once the collected materials find their way to our South Minneapolis location, our Sorters remove that which we do not send overseas; namely, denominational, poor quality, cultic, damaged items, etc. The Shelves then make sure the new inventory finds a temporary home in our newly rearranged stocking system. See our website for an idea of our Biblical and theological categories.

The personal requests for books come to us mainly via regular mail, but more and more via e-mail. The office staff codes, checks the sending history, and prints labels to forward to the Packers who fill the orders resulting from the requests. Coding breaks down into Bibles, general Christian books, seminary and pastoral selections, Sunday School materials, tracts, Decision magazines, etc. The remaining office staff takes care of processing and receipting donations, correspondence, and administrative details.

Please pray for our staff, as we thank them for a job well done and for the spiritual maturity and unity they demonstrate.... "the unity of the Spirit in the bond of peace." (Eph. 4:2)
