HERE AND THERE FROM AROUND THE WORLD. For our readers to more fully understand the effects and help received because of our efforts, we are including comments from a number of recipients who have received our literature.

NARSAPUR, INDIA:

Greetings in the name of Jesus. I am serving the Lord, Orphans and Widows. Church planting in the unreached area where my 60 co-workers and I have so far planted 200 churches among the primitive people where human sacrifice is still in practice. We have 3 orphanages caring for about 100 children. We are facing persecution sometimes but God is blessing our ministry. We support 40 pastors and 25 lady pastors, by Faith. We need your prayers.

KISSII, KENYA:

We are sending you pictures to see the work the books you send are doing. We go house to house for visitation and spiritual campaign. We invite the new converts to our church. We put them in baptismal class. When they are trained enough, they are baptized and given mature Christians to nurture them spiritually. May Jesus bless you all richly and keep you always in His Loving Care.

RUMPHI, MALAWI:

On behalf of the 17 churches I am looking after, other churches, Sunday School teachers, Library Staffs, Hospitals, Prisons and Primary and Secondary Schools, I would like to thank you for your blessed assistance. Your Blessed materials are really preaching all on their own. At Central Prison, they really enjoy your books.

YANGON, MYANMAR:

During the five years of our seminary's existence, we have faced many difficulties and challenges as we have sought to be faithful to the Great Commission, yet we have consistently experienced the favor and grace of God in each of these struggles. We have learned, as the Apostle Paul did, that we can indeed be content in "all circumstances". We are deeply grateful for your support.

ICLD UPDATE

ICLD has been involved in distributing Bibles and Christian literature to countries around the world for over 40 years and the Lord has provided volunteer workers, as well as the materials for shipping. All of us recognize that changes in our lives and activities come along from time to time and now this is true also for ICLD.

The new postal rates that went into effect in May have had a profound effect on the way that we have been doing things in the past. Not only did the cost of mailing a letter go up, but our cost to ship a typical box of materials increased from \$1.10 per pound to approximately \$4.00 per pound. The month of June has been a time for us to get familiar with all the new procedures and the use of the internet for shipping preparation. We still are responding to the hundreds of requests we receive for Bibles and other materials each week, but now because of the new postal rates, we can only afford to mail a certain amount each week to stay within the funds that come in. This means people requesting material will have to wait longer to receive it because we cannot send it out as fast as we used to due to the increase in postal rates.

We would ask that you prayerfully consider making a first-time pledge to supporting ICLD on a regular basis, or that you consider increasing your giving in order to help us face this current challenge. In all cases, please pray for ICLD’s efforts in God’s service.

**INTRODUCING A NEW HELPER AT ICLD
John Stacknik**

John aspires to be Mike Ondov’s “right-hand man” at ICLD as “Operations Coordinator”. John’s background includes mission service in Congo, Quebec, New York, Kansas, and the Twin Cities; currently serving in urban, cross-cultural work as Director of Christian Housing and Friendship Initiatives, a non-profit since 1999. In 1978, at the age of 29, John came to faith in Jesus Christ through the friendship of an African man from Liberia and the reading of God’s Word, which reinforces John’s belief in the Bible and Literature distribution goal of ICLD.

“Faith comes by hearing and hearing by the Word of God.”

John’s experience includes Peace Corps, travel and mission opportunities, seminary (M.Div.), language skills, (French, Lingala, Spanish, Polish), and a love for mingling with people of all races and cultures. His wife, Sharon, is an RN at Abbot NW Hospital and is an active partner in ministry and devoted mother to their four daughters. Their family has called Minneapolis “home” since marrying in 1980.
